

New direct service from Asia to N. Europe (AEX 2)

ZIM is launching on the **24th of April, 2011** from Qingdao (China) its new joint venture service with Evergreen and China Shipping from Asia to North Europe – **Asia Europe Express (AEX2)**.

Asia Europe Express (AEX2) joins Zim's established services from Asia to Europe, Asia Med Europe (AME) and East Med Express (EMX). The new service will be added to the current AME and EMX services and will increase the capacity in the Asia-North Europe trade from 2300 TEU's weekly **to 5100 TEU's weekly**.

The new line calls the major hubs of Shanghai, Port Kelang, Hamburg and Antwerp, allowing you to connect to Zim's global network.
